CONSUMER CONFIDENCE REPORT (CCR)

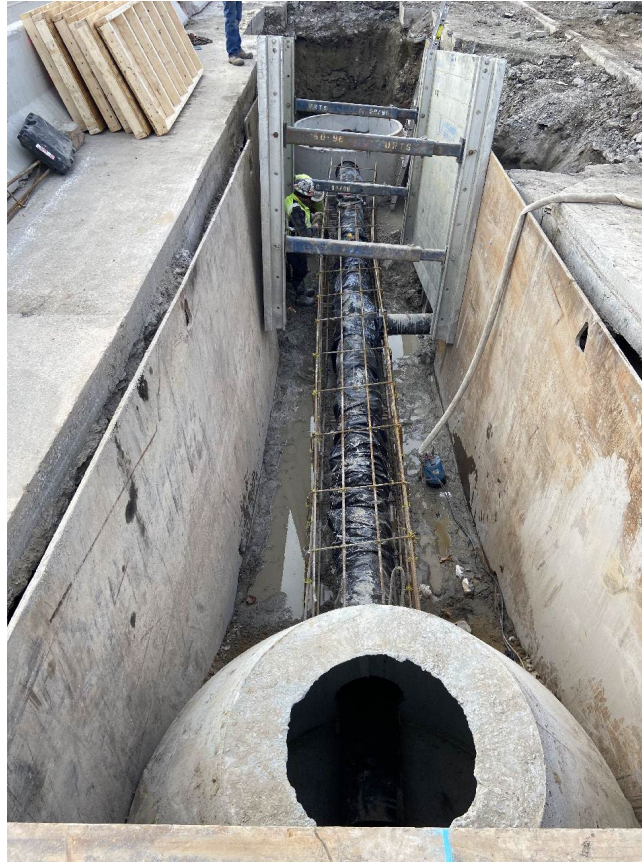

This is the annual report about your drinking water quality. Throughout the report, we explain where your water comes from, the results of the sampling we performed, and our efforts to protect your water.

WATER MASTER METER PROJECT

Construction and installation of three (3) water master meters and vaults at designated connection points (HP-05, HP-06, and HP-07) between the City and Great Lakes Water Authority (GLWA).

- Locations:
 - HP-05: Hamilton Avenue & McNichols Road
 - HP-06: John R. Street & McNichols Road
 - HP-07: Hamilton Avenue & Webb Street
